The exhibits shall be placed in sequential order in a three-ring binder with a labeled divider separating each exhibit. 10 parties should plan to present evidence using the available courtroom technology. The parties must  
11 provide agreed-upon transcripts of any audio or video exhibits used at trial by the day offered.

12 Counsel should move exhibits into evidence as soon as foundation is laid. At the end of  
13 each trial day, counsel shall consult with each other and the Courtroom Deputy about which  
14 exhibits are in evidence and any limitations. Disagreements must be brought to the Court's  
15 attention. At the close of evidence and before closing arguments, counsel must confer with the  
16 Courtroom Deputy to make sure the exhibits in evidence are in good order. Counsel must jointly  
17 provide a revised index of all exhibits actually in evidence, stating (a) the exhibit number, and  
18 (b) a brief neutral description of the contents. This index will be provided to assist the jury.

19 Two calendar days before calling any witnesses, counsel shall exchange in writing by 5:00  
20 PM a list of witnesses to be called and any exhibits to be used during direct examination. By 5:00  
21 PM on the day before those witnesses are called, opposing counsel shall provide any objections to  
22 the listed exhibits and shall exchange a list of exhibits to be used with the listed witness(es) on  
23 cross-examination (other than for impeachment). Counsel shall promptly notify the Court of any  
24 objections.
